

Elementary

After-School

Instrumental Music Program

Join the Newark Unified School District after-school instrumental music program. The program is open to all incoming 4th, 5th and 6th grade students and is funded by the Newark Educational Foundation. Students will learn to play one of a variety of instruments and perform in the Elementary Band.

Why should you learn to play and better understand music?

- Learning an instrument is FUN and develops discipline
- Practicing an instrument increases a student's ability to focus
- Studies show that learning music early in one's life greatly improves mathematical and abstract thinking abilities

We will have an information night on **Thursday, September 14th at 7:00 PM** at **Birch Grove Primary**. At this event we will discuss sign-ups and class times. We will also have instrument demonstrations and a question and answer session. Classes will meet Tuesdays and Thursdays at Birch Grove Primary. Many instruments are available – and will be provided on a first come – first served basis. There is **NO** enrollment fee or other costs associated with the program. If you are interested, please fill out the form below and return it to the office at your school no later than September 12th or email this information to Mr. Nunes at the email address listed below.

If you have any questions regarding the program, please contact :

Mr. Nunes at afnunes728@gmail.com
